Terms and Conditions of Sale

TERMS:

Cash with order. C.O.D. orders must be accompanied by at least 25%.

Accounts due 30 days from date of invoice.

To establish credit for open account it is necessary to give satisfactory references and allow sufficient time for investigation. To those whose credit has been established we allow 2% discount for cash 10 days from date of invoice, net 30 days. Cash discount applies only when prior balance is paid in full. Interest at 6% charged on past due accounts.

PRICES:

This list cancels all previous lists and quotations.

Boxing and Packing extra at near cost. Because of the cost of boxing materials and labor, we cannot box large bulky shrubs, trees, or B & B evergreens.

GUARANTEE AND CLAIMS:

Plants warranted to be true to name.

Plants warranted to be in good healthy condition.

We sell under the standard form Nurserymen's Non-Warranty Clause, which reads: "We give no warranty, expressed or implied as to description, quality, productiveness, or any other matter, of any nursery stock we sell." We accept no responsibility for the guarantee our customers give their customers or any governmental department or agency. All shipments are at the risk of the purchaser after being delivered to carrier in good condition. All claims must be made within 5 days after receipt of stock. All quotations are for immediate acceptance and subject to stock being unsold on receipt of order.

SPECIAL NOTICE:

Correspondents are requested to use their printed business letterheads.

This list is intended for the trade only. We sell only to those who expect to resell at a profit. We do not employ agents. We do not pack dealers' orders, nor do we authorize dealers to use our name in any way whatsoever.

EUONYMUS ALATUS COMPACTA
Lining Out Sizes

Two sizes of heavy transplants: 18 to 24 inches and 24 to 30 inches. Excellent for field lining out, wrapping, or canning.

PYRAMID ARBORVITAE

Two year transplants. This is the ideal size for lining out or putting in Paper Pot or can. This variety is considered the best of the low growing, hardy, large red berried Cotoneasters.

COTONEASTER APICULATA

CONTAINER GROWN STOCK

Please see the last pages of our catalogue for a complete list of the Container Grown Stock we have in good quality plants and large enough to make a good showing on the sales yard. Many of the varieties of lining out stock on these pages are particularly well adapted to Container Growing as well as lining out in the field.

TAXUS CUSPIDATA AND HICKSI

Stocky 5 year transplants. These are the size we always plant in our own fields to insure good stands and quick finish into the best B & B sizes.

Good transplanting size for lining out or Container Growing. 3 year transplants that benefitted from the extra rainfall this summer.

GLOBE ARBORVITAE

JUNIPER PFITZERS

Heavy 3 year transplants, 9 to 12 inches and 12 to 15 inches.

No. 1906 "GRAWISSO" BRAND	each	per doz.
.....	\$2.50	\$2.25

CONTAINER GROWN STOCK

ONE-THIRD OF OUR CONTAINER GROWING AREA

All stock has been grown in the can and not merely established for a few weeks or months.

We are proud of our Container Growing Department. We invite you to inspect it anytime. No advance notice is necessary to pick up any of this stock. Dave Kocur will show you his Department, take your order for later delivery, or load your truck on the spot.

Transportation arrangements can be made at reasonable charges for full loads, and cans work in well with B & B stock on part loads.
